1 SUPPLEMENTARY INFORMATION DISCLOSURE STATEMENT  
2 UNDER 37 C.F.R. § 1.56

3 Submitted herewith on Form PTO-1449 is a listing of patents and  
4 publications known to applicants in order to comply with applicants' duty of  
5 disclosure pursuant to 37 C.F.R. § 1.56. This supplemental disclosure is in addition  
6 to the Information Disclosure Statement submitted on August 18, 1999,, and is  
7 being submitted because applicants just recently became aware of several of  
8 these documents and could not tell from the prior Information Disclosure  
9 Statements if copies of all the listed documents had been included. A copy of each  
10 listed patent and publication is also being submitted to comply with the provisions  
11 of 37 C.F.R. §§ 1.97-1.99.

12 The submission of any document herewith, which is not a statutory bar, is  
13 not intended as an admission that such document constitutes prior art against the  
14 claims of the present application. Applicants do not waive any rights to take any  
15 action which would be appropriate to antedate or otherwise remove as a  
16 competent reference any document which is determined to be a prima facie prior  
17 art reference against the claims of the present application.

Respectfully submitted,
